This is in response to the "Petition Under 37 CFR 1.47(a)," filed October 16, 2000.

The petition is granted.

Applicant has submitted copies of letters sent to co-inventor Vinay Naik dated September 9, 1999 and September 25, 2000 as well as proof of receipt. The letters included copies of the above identified application and the declaration for which they were seeking co-inventor Naik's signature. The transmittal of the application papers to the last known address for Mr. Naik demonstrates that the co-inventor has been notified of applicant's intent to file the above referenced application. Further, applicant has shown that co-inventor Naik has been given an opportunity but has refused to join in the filing of the above-identified application.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(a), this Office will forward notice of this application's filing to the non-signing inventors at the address given in the Declaration. Notice of the filing of this application will also be published in the Official Gazette.

This file is being forwarded to the Office of Initial Patent Examination.

OFFICE OF PETITIONS
A/C PATENTS

Dear Mr. Naik:

You are named as a joint inventor in the above identified United States patent application, filed under the provisions of 35 U.S.C. 116 (United States Code), and 37 CFR 1.47(a), Rules of Practice in Patent Cases. Should a patent be granted on the application you will be designated therein as a joint inventor.

As a named inventor you are entitled to inspect any paper in the file wrapper of the application, order copies of all or any part thereof (at a prepaid cost per 37 CFR 1.19) or make your position of record in the application. Alternatively, you may arrange to do any of the preceding through a registered patent attorney or agent presenting written authorization from you. If you care to join the application, counsel of record (see below) would presumably assist you. Joining in the application would entail the filing of an appropriate oath or declaration by you pursuant to 37 CFR 1.63.

Requests for information regarding your application should be directed to the File Information Unit at (703)308-2733. Information regarding how to pay for and order a copy of the application, or a specific paper in the application, should be directed to Certification Division at (703)308-9726 or 1(800)972-6382 (outside the Washington D.C. area).
